Kevin Bethune & Lamer Walker of BCG Digital Ventures will lecture at Woodbury School of Architecture in Los Angeles on Tuesday, September 5th. BCG Digital Ventures is a global corporate venture firm that invents, builds, scales and invests in startups and some of the world's most influential companies. Founded in 2014, BCG Digital Ventures has major Innovation and Investment Centers in Manhattan Beach, Berlin, London, Sydney, San Francisco and New York, as well as DV Hatches in Silicon Valley, Seattle and Mexico City, with more locations opening.

BCG Digital Venture's Centers and Hatches are home to a diverse range of entrepreneurs, operators and investors who are building businesses, creating and expanding markets and developing new technologies that benefit millions of people across the globe.
