

Viewing Your Class Schedule and Identifying Your Section Codes

You can view a schedule of the classes for which you have registered and identify your section codes, after logging in to Self Service (go here: <https://go.woodbury.edu/>, click on “Log into Self-Service” under Logins). Then:

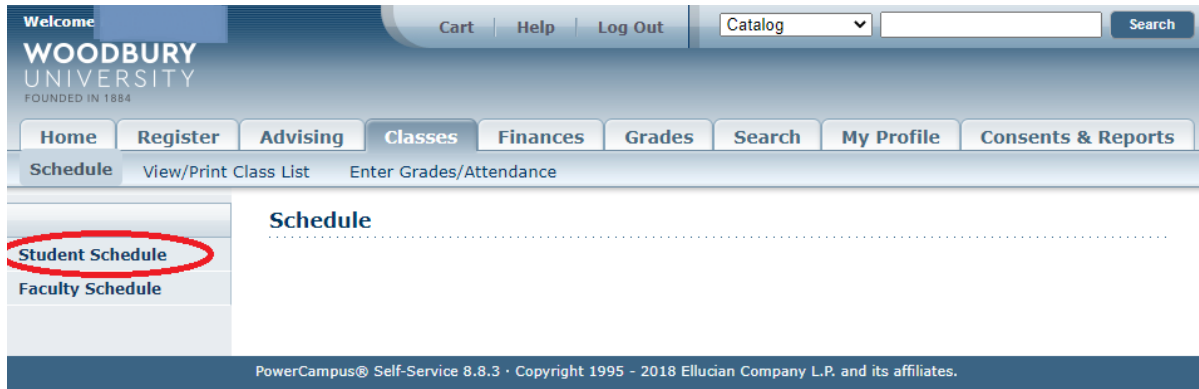

1. Select the Classes tab.

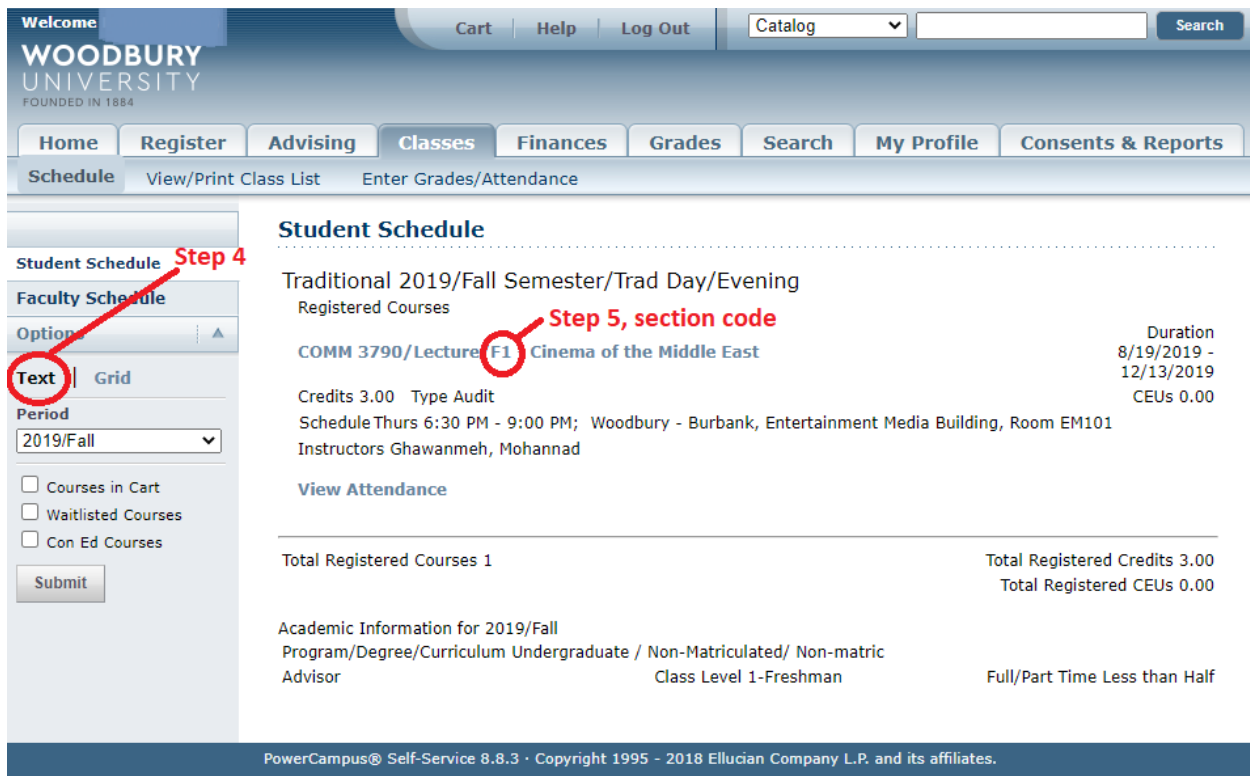

2. Select the Schedule menu item.

3. Select the Student Schedule option.

4. Choose to view your schedule in a Text list to see all course details, including the course title, instructor's name, and course section code which will tell you the course modality.

5. The section code will identify the modality of each course. See this [Section Code Cheat Sheet](#) for modality identification.
